To whom it may concern,

Will you kindly give me the full particulars as to how I may become a member of this Society. I am 17 years old ,and would like to know some friends who will help me in this wonderful subject, of coin collecting. I remain,

Very trully yours,

Dear Mr. Fishburne:

I enclose two brief folders regarding our Museum as well as an application card for membership if you care to sign it.

I suggest, however, that you might do well to come to our Museum and let us show you what we have here and see whether we can be of service to you, before you invest $5 in our annual membership as an Associate Member.

Very truly yours,

Secretary
